CALL FOR PAPERS

SAE/JSAE 2018 Small Engine Technology Conference & Exhibition
November 6-8, 2018
Hilton Dusseldorf, Germany

www.sae.org/events/setc/

SAE/JSAE 2018 Small Engine Technology Conference & Exhibition is looking to you. Become a bigger part of the technical community by contributing to the mobility industry's body of technical knowledge.

SAE International is asking you to share your experience and knowledge on small engine applications ranging from ATV's, scooters and motorcycles to portable power generators, lawnmowers and hand tools by submitting an abstract for the 2018 SETC. Attendees want to hear and discuss the challenges and developments in small engine technology with OEM's, suppliers and academia from around the world, from and with experts like you.

Benefits of Authorship*
- Expand your professional experience and influence by demonstrating subject matter knowledge and expertise to mobility practitioners throughout the world.
- Connect with subject matter experts in the mobility industry to expand business opportunities.
- Be a conduit for discussion on further advancements in mobility automotive Electronics, Safety, Powertrain, Materials, Emissions and Propulsion.
- Discuss successes and problems encountered during research with your peers who may have similar experiences and lessons learned to share.
- Your technical paper could be selected for SAE Journals—collecting our best technical papers in online and print issues throughout the year, increasing eligibility of inclusion into scientific indexes

Call For Reviewers
SAE International is also seeking help from experts willing to volunteer their time and technical acumen to review technical manuscripts for the Technical Sessions.

Benefits of Being a Manuscript Reviewer*
- Expand your technical knowledge by reviewing manuscripts and achieving prior awareness of the latest technologies and practices coming to the mobility industry.
- Demonstrate your subject matter expertise to the organizers developing technical sessions.
- Become a bigger part of the technical community by contributing to the mobility industry's body of technical knowledge.
- Connect with other subject matter experts in the mobility industry to expand business opportunities.

*Authors of technical manuscripts can attend SETC at reduced rates.
