Preparation Guidance
for Authors/Presenters

◆ Selection of participation for conference (For authors / presenters)

There are five combination of selection to participate in conference as shown below.

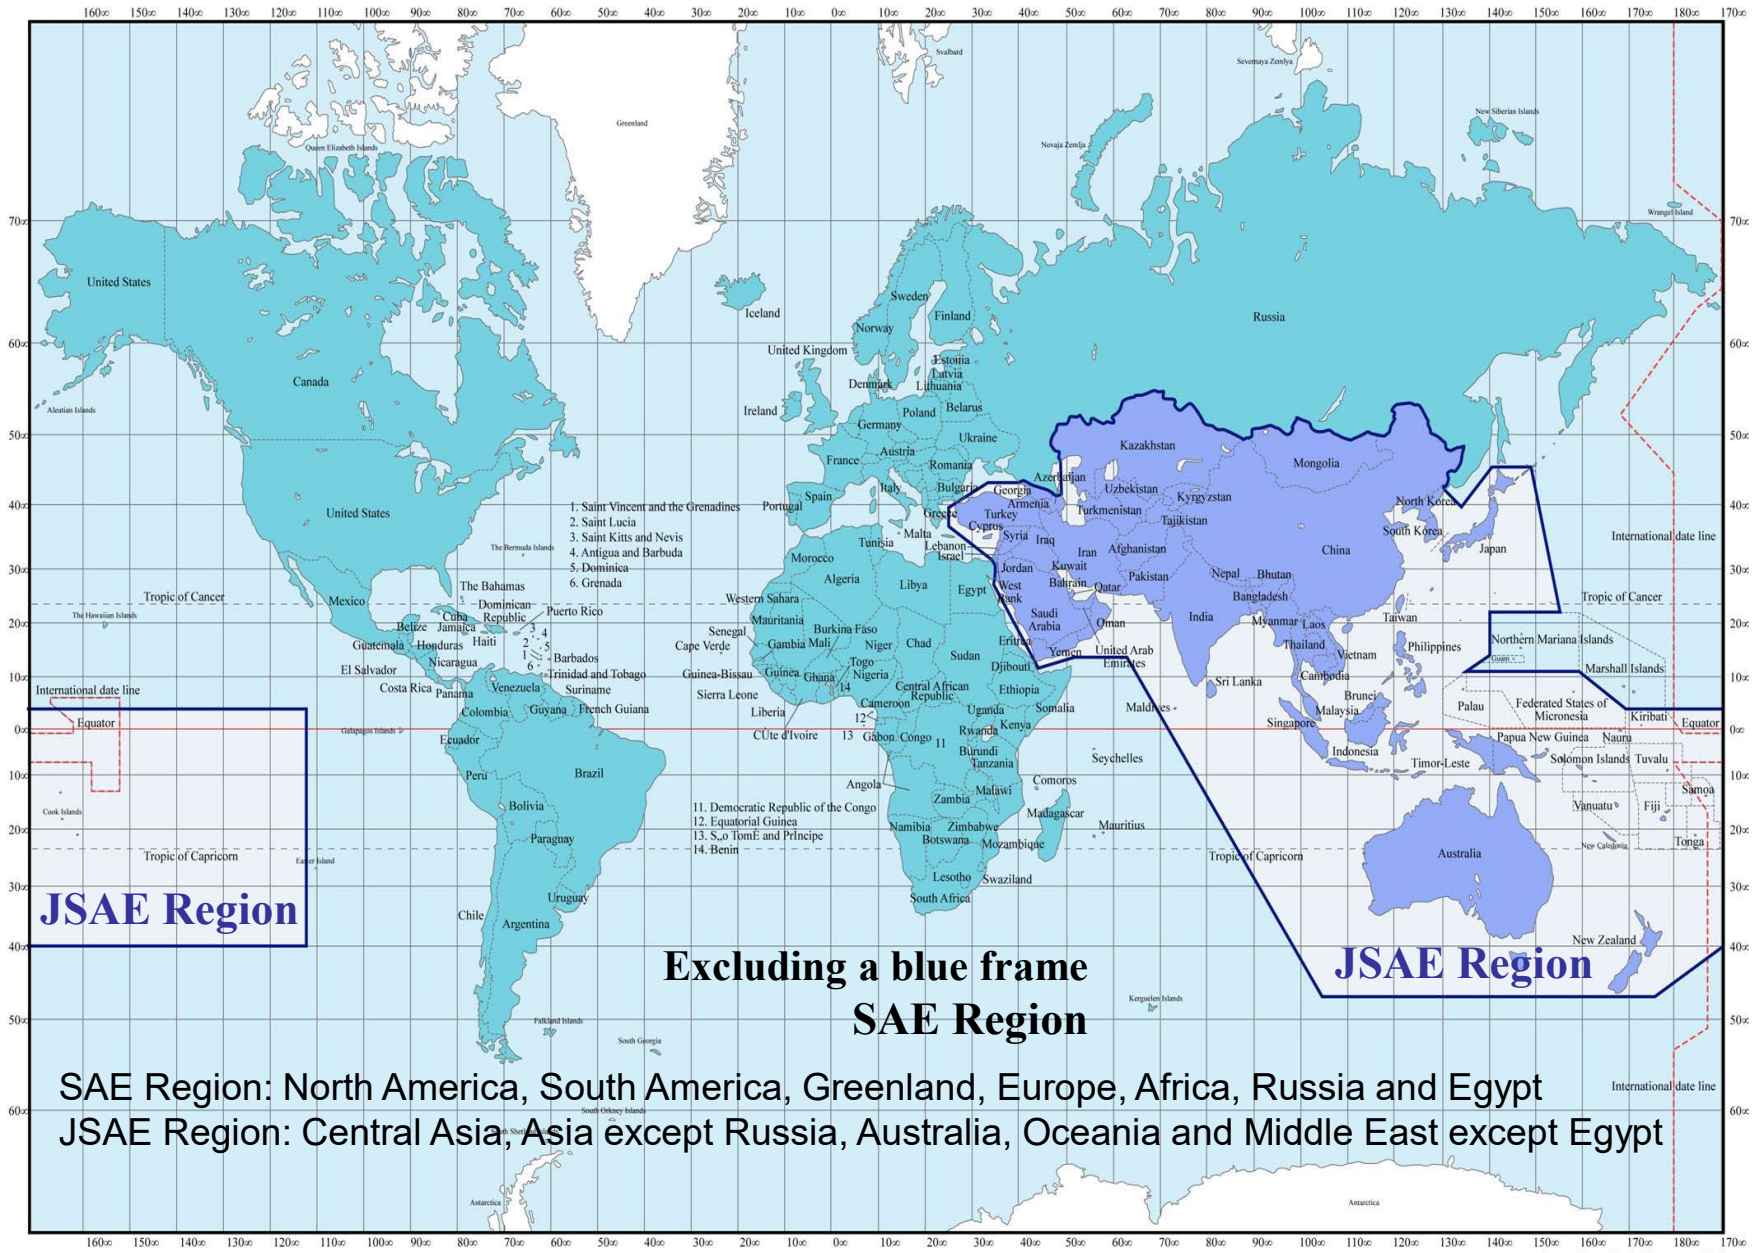

Please select on the registration webpage. You may change your presentation type until October 14.

If you want to change your presentation type after that, please request the change to SETC2022 Registration Desk (setc2022-regist@or.knt.co.jp) by email.

Note) The choice of Type 5 “Pre-recorded presentation with no Q&A” can be applied on the condition that authors belong to SAE region(*) and have difficulties to participate in real time. Since Q&A is not carried out, this choice will disqualify the author from presentation award. (*) See the map on the next page for the region.
 NPT session is out of scope for any award.
