

Dear SETC2022 Audience,

Instructions for Audience

We hope the following information will help you to attend the paper presentations at Arcrea Himeji.

1) Before your trip

- Please refer to the following link for general information as the Conference Program.
(Venue map, session room allocation, session timetable, Abstracts, Plenary Session, etc.)
[Conference Detail](#)
(The Conference Program will be updated on Oct. 25)
- The conference will feature technical sessions at the On-Site venue and On-line Zoom delivery.
Technical Sessions can be attended via Zoom by logging in to [My Page](#) and clicking on the URL in the session timetable.
- Please refer to [All Participants Resources](#) for basic information on how to use Zoom.

2) Technical Paper Presentation <Guideline for Audience >

- Each session will have two to four paper presentations.
- Presentations will be 20 minutes and 10 minutes for Questions and Answers
- Photographs/ recording of the presentation is highly prohibited.
Recordings and screenshots on Zoom are also prohibited.
- During Q&A, the questioner needs to say his or her name and affiliation before questioning.
- Please contribute to web vote for the presentation awards.
QR code will be displayed on the screen and URL will be posted at chat board during the session to access the voting site.

< Rules of Q & A >

- Questions will be accepted in English only.
- Oral questions will be accepted only at the On-Site venue, while questions from the On-Line audience will be accepted via Q&A text comments.
(Raise of hands, Oral questioning, Screen sharing, from On-Line is not supported.)
