

**Small Powertrains and Energy Systems Technology Conference 2022  
HIMEJI, JAPAN**

**SETC2022 Guidelines of Poster Sessions for Challenging Exploratory Study**

At SETC 2022, poster sessions are held to promote the challenging exploratory study which does not have sufficient experimental data but which is very innovative, by exchanging information with researchers in academia and engineers in Industry. Only commercial of products are not allowed, however the poster related to New Product Technology Session can be presented in the poster session.

Applicants related to researchers and engineers in companies and institutes who wish to participate in poster sessions should submit applications by E-mail as following the guidelines below. Please note; however, that if we receive many applications, all may not necessarily be approved. If you have any question, please do not hesitate contact us (E-mail: SETC2022@jsae.or.jp).
